An Exhibitor Appointed Contractor is any contractor other than the Official Contractors appointed by Show Management. Exhibitor Appointed Contractors typically provide services such as exhibit installation and dismantling, floral, photography, audio visual, display rental, display house services, etc. You, the exhibitor, must notify HOLLINS in writing, no later than 30 days prior to the first day of move-in, of your intent to use an outside contractor. You must furnish the name, address and telephone number of the contractor.

The following rules have been established to insure the proper operation of the show and the satisfaction of the participants.

1. You may not use a utility service contractor (electrical, telephone or plumbing) other than those officially contracted for by Show Management.
2. You may use an outside contractor to install and dismantle your display but may not use an outside drayage contractor.
3. It is your responsibility to provide the Exhibitor Appointed Contractor with information pertinent to the installation and servicing of the exhibit; e.g., utilities, service order forms, installation and dismantling dates, target dates, shipping instructions, labels, display regulations, work passes, etc. You agree that you are ultimately responsible for all services in connection with your exhibit; including freight, drayage, rentals and labor.
4. The Exhibitor Appointed Contractor shall have the right to provide services requested by you. However, the Exhibitor Appointed Contractor shall conform to the following rules and guidelines.
 - A. The Exhibitor Appointed Contractor shall use only his or her own bona fide full-time employees on the show floor.
 - B. The Exhibitor Appointed Contractor shall have a valid work order from you in advance of the show installation date, and shall be prepared to present this upon request at the show.

 - D. The Exhibitor Appointed Contractor shall have in his or her possession, and have a copy on file with HOLLINS, a public liability and property damage insurance policy naming Show Management, HOLLINS, the facility and other particular parties that may be required, as the insured in the amount specified by the facility or \$2,000,000.00, whichever is greater. This information shall be on file no later than 30 days prior to the first day of move-in.
 - E. A letter shall be provided to HOLLINS, no later than 30 days prior to the first day of move-in, listing the exhibitors who have retained the services of the Exhibitor Appointed Contractor. HOLLINS will keep this information confidential.
 - F. Prior to starting work, the Exhibitor Appointed Contractor shall have all business licenses, permits and workers compensation insurance required by the state, city governments and exhibit facility management, and shall provide HOLLINS with the evidence of compliance.
 - G. Prior to starting work, the Exhibitor Appointed Contractor shall furnish HOLLINS with the names of all employees who will be working in the exhibit hall, as well as the names, addresses and telephone numbers of key executives for emergency contact. Upon notification by you of your intent to use an Exhibitor Appointed Contractor, the contractor will be supplied with the appropriate forms for response.
 - H. Prior to starting work, the Exhibitor Appointed Contractor shall obtain badges from Show Management and HOLLINS. Anyone found not wearing the appropriate badge will be required to leave the show floor.
 - I. The Exhibitor Appointed Contractor shall be responsible for adherence to all rules of ingress and egress, and shall complete his or her work in a timely and professional manner within the prescribed time limits.
 - J. The Exhibitor Appointed Contractor shall remain within the perimeter of the booth(s) he or she is erecting. Work will not be allowed in the aisles or other unused areas of the exhibit hall.

2. Hourly fees may apply for special wiring requirements.
3. Sharing power between booths is prohibited.
4. Convenience outlets that may exist in or near your booth are not included in your booth rental and may not be used.

120/208v and 277/480v Power:

The Convention Center can provide power for your equipment and machinery with the following limitations:

We can only guarantee that we will be able to provide power if you order in advance. Not all locations of the building have access to higher amperage or voltage power. Please discuss your needs with Butch Owens at (919-202-3938). We generally can provide the power you need for most equipment, however, we do not stock all types of outlets. If you need to plug into something other than a standard 120 or 240 volt, 20 or 30 amp outlet you need to either bring an outlet of the correct type or provide equipment with bare wire leads that we will install into our breaker panel. We will not disassemble your machinery or equipment in order to wire it. Please provide equipment with either a plug or bare wire leads.

Right of Way and Access:

1. The Convention Center reserves an easement behind each exhibit booth for the purpose of distributing electrical service to neighboring booths.
2. Unless otherwise directed, Convention Center electricians are authorized to cut floor coverings to permit installation of service.

If you want to use the line as a normal phone, you may rent the telephone set from us for an additional fee or bring your own telephone set. If you are using the line for a modem or credit card machine, you must program your device to dial 9, pause, and then dial the number you are calling. The phone lines are disabled from making international calls or dialing 900, 976, and similar toll numbers. Long distance fees are charged to the client upon receipt of the final bill.

Air, Water, and Drain Service:

Compressed air, water, and drain service must be ordered in advance. Not all areas of the Convention Center have access to these services, so please contact us early if you need these services. Call Butch Owens at (919-202-3938) to order these services.
