

PLEASE READ THIS DOCUMENT IN ITS ENTIRETY

Thank you for exhibiting at IBMA World of Bluegrass®! The Exhibit Hall is a major highlight of World of Bluegrass week. We provide a place for business owners and sellers of music-related products and services to connect directly to their target demographic, to network and engage, and conduct business. Our goal is to make this process as seamless as possible and provide a positive, fun experience for exhibitors and attendees alike.

IBMA's guidelines make the best use of everyone's resources while fairly organizing the opportunities and costs associated with exhibiting. We have established guidelines to make the best use of everyone's resources and to fairly organize the opportunities and costs associated with exhibiting. **When you apply for use of space, you agree to abide by these rules and guidelines set herein.**

To Secure Booth Space

We encourage all vendors to become IBMA members before registering for a booth to receive all the benefits including member discounts and early bird rates.

—To join, please visit www.ibma.org/membership—

For more information on exhibiting, visit www.worldofbluegrass.org/exhibit-hall/ to register and begin the booth assignment process.

We look forward to seeing you at World of Bluegrass!

Terms of Exhibitor Agreement

Exhibit management is hereby requested and authorized to reserve space for exhibitors to use at the IBMA "World of Bluegrass" events held in The Raleigh Convention Center in Raleigh, NC. Exhibit days during this event are held Wednesday, September 27—Saturday, September 30, 2023. Exhibitor agrees to rent space, designated upon all terms and conditions stated herein, for the purpose of display and/or sale of products and services, and to pay all designated rental fees provided herein.

Exhibit space will be assigned at the sole discretion of exhibit management and remains the property of exhibit management. Exhibitor further agrees to work and maintain their exhibit booths during ALL exhibit show hours during their rental period. Should the exhibitor move from or abandon their exhibit space during the show open hours and/or before their rented term expires, designated space returns to exhibit management for use at their discretion.

Exhibitor Pricing

Included with your booth purchase: One (1) 3-day Conference registration and two Assistant passes (The Assistant Pass grants each individual access to Exhibit Hall and the nightly Bluegrass Ramble only). You may register for additional conference badges while registering in the eTix portal.

Sunday, 10/1 8:00am - 11:30 am

Services & Utilities

HOLLINS is the official exhibit contractor for the World of Bluegrass.

A separate exhibitor services kit is available to all confirmed exhibitors on the World of Bluegrass Exhibit Hall page. It will include necessary forms for securing and paying for additional furnishings, shipping and receiving needs and more. In the Hollins exhibitor kit—please note that services for additional or special furnishings, carpet and shipping & receiving are coordinated through and provided directly by Hollins, not IBMA.

The Raleigh Convention Center coordinates and provides utility needs such as electric, phone, or internet access. The forms you need to secure those services are available on the Exhibitor Page at worldofbluegrass.org/exhibit-hall/.

All above mentioned services must be paid directly to the provider and are not provided for in your booth rental fee and are NOT the responsibility of IBMA.

You may be able to secure these services on-site but increased show rates will apply. Discounts are available for securing in advance of show. Deadlines for advance rates will be noted in exhibitor kit.

Booth Assignment

Booth assignments favor 1) sponsors of the event and 2) prior year exhibitors. Prior year exhibitors will have a 30-day reservation period to secure space with preference consideration for location or configuration requests. New exhibitors will be offered best available on a first come, first served basis after prior year exhibitors have been set. Exhibitor space will remain open and “for sale” until show management deems the hall “sold out.” Availability of certain booth types or exhibit times may be limited.

Exhibit space will be assigned at the sole discretion of exhibit management and remains the property of exhibit management. Any booth location can be held in reserve for sponsors and VIP’s, thus show management reserves the right to move your booth assignment from year to year and locations are not guaranteed.

Loading Dock

Entrance to the loading dock is off Lenoir Street (between McDowell & Dawson) directly behind the Red Hat Amphitheater. The loading dock entrance runs behind the Red Hat stage area, down below street level and into the Raleigh Convention Center.

A limited number of vehicles are allowed on the dock at one time. Depending on the demand for loading dock use, you may need to wait until other vehicles clear before you will be allowed in. When you are finished unloading your vehicles, you will be asked to move to regular parking facilities **immediately**, even before setting up your booth. There is no permanent or overnight parking available on the dock. You will be required to find alternative parking for your vehicles. All vehicles are required to be off the dock 15 minutes prior to closing of the dock.

If you choose not to use the loading dock OR will be moving in or out while the loading dock is closed – you are welcome to use personal carts, hand carry items, or ask at the IBMA registration area if any volunteers are available for assistance.* Labor and shipping needs can be coordinated with the Raleigh Convention Center or HOLLINS, your exhibit service provider, prior to or during the events.

*IBMA is NOT required to provide volunteers or assistance with move-in or move-out.

Furnishings & Space Use

“Island” Space: Space will be provided to exhibitor by exhibit management with a booth I.D. sign, four 2’x 3’x 30’ skirted tables and eight chairs. One (1) island space constitutes floor space of approximately 400 sq. ft (20’x20’) surrounded by aisles. No curtain backdrop or curtained siderails are provided with island space.

“Single” and/or “Double” Space: Standard linear booth space (“Single” = 10’x10’ approx. 100 sq ft or “Double” = 10’x20’ approx. 200 sq ft) will be provided to exhibitor by exhibit management with an eight foot high curtain back wall, dividing side rails, a booth I.D. sign, one 2’x 6’ x 30” skirted table and two chairs (per 100 sq. ft of space).

Exhibit Hall Security Procedures / Exhibitor Admission

EXHIBIT HALL SECURITY PASSES will be attached to your official conference credentials. The Security Pass allows you access to the exhibit hall during set-up, tear-down and times the exhibit hall is closed to the public. If you do not have the Security credential on your name badge – you WILL NOT be able to enter the exhibit hall when it is closed, no exceptions.

You will be given 2 security passes for any “Exhibitor Assistants” you have in attendance. Assistants will not be able to access the exhibit hall during closed hours without the main conference badge holder present, but will have free access during open exhibit hall hours. During set-up and tear-down periods—assistants may assist you with your booth needs **ONLY IF THEY ARE ACCOMPANIED BY YOU**. Non security-credentialed folks are **NOT** allowed at any time. People who do not have the proper credentials will be asked to exit immediately when loading dock closes.

PLEASE be patient with security guards stationed at the exhibit hall doors during “closed” periods or “move-in” or “move-out” times. It is their job to protect your stuff! Not letting people in the hall who do not have the proper credentials is in everyone’s best interest to help ensure safety and security of the items in every exhibitor’s space. Guards are given strict instructions by show management on what kind of credentials get you in and what kind of credentials aren’t allowed access. We appreciate your understanding.

- A security guard will be posted at the Exhibit Hall at all times the exhibit hall is open and during load-in/load-out times. After closing **NO ONE** – Including exhibitors - will have access to the exhibit hall until the following morning.
- Any exhibitor entering or exiting the hall when the exhibit hall is closed will be asked to sign-in and sign-out along with recording any items they are removing from the exhibit hall.
- Exhibitors will be required to “Sign-in” until 30 minutes prior to exhibit hall “OPEN” times **YOU STILL NEED THE PROPER SECURITY PASS TO GET INTO THE HALL BEFORE IT OFFICIALLY OPENS**. If you are the person assigned to “open” the booth – you must make sure – prior to showing up at the Exhibit Hall doors – that you have the proper credentials to enter when the exhibit hall is closed!

Please see show management or an IBMA representative if there are any problems or concerns. Volunteers will most likely NOT have the answers you need.

The general CONFERENCE CREDENTIAL allows you entrance into other convention activities and private functions. Conference credentials are non-transferable and are the property of IBMA. Sales and/or swapping of badges and misuse of the security pass are strictly prohibited and the pass may be revoked if exhibit management rules are violated.

Sound Issues

Amplification of sound beyond a single booth is strongly discouraged. To minimize sound conflicts, IBMA discourages full performances or jam sessions within your booth space or in the exhibit hall that may disrupt the ability of others to conduct business. Be courteous to your neighbors. Instrument demonstrations are expected, but sound levels should be kept to a bare minimum and should not disturb neighboring exhibitors. **IBMA reserves the right to suspend an exhibitor’s amplification if any exhibitor is asked to turn their volume down multiple times or if other exhibitors are continually disturbed. Please be mindful and courteous.**

Storage

Exhibitor storage on the exhibit hall floor is limited. Additional storage areas can be coordinated through Hollins onsite, but they are limited and will be made available on a first come first served basis. See show management if additional storage provisions need to be coordinated. IBMA does not accept responsibility for any lost or damaged property.

No Suitcasing

“Suitcasing” is the act by individuals or suppliers, who have NOT purchased booth space, of soliciting business, distributing literature or doing promotional activities in the exhibit hall aisles/ floor or other public areas of the events, and/or representing their services or soliciting conference participants for conflicting social or business activities, without having purchased booth space.

“Suitcasing” is a violation of IBMA Vendor Management Policy and may seriously affect a supplier or vendors participation in future IBMA events. Please report any violations to Exhibit Management.

Security & Liability

Security will be on the premises during installation and removal of exhibits and until Exhibit Hall closing. The exhibit management, service contractors, staff and directors of any of the same are not responsible for vandalism, theft, fire, accident, or damage to exhibitor property. Upon acceptance of this agreement and by participating in the events, the exhibitor assumes complete liability resulting from personal injury or property damage caused by equipment operated within his/her display area and agrees to maintain necessary general liability insurance coverage for such operation and display within that area. **Exhibitor also understands that proper Event Registration ID and Exhibitor Security Credentials are required to gain access to exhibit area.**

Exhibitors will **ONLY** have access to loading docks during designated set-up and tear-down times outlined on page 2.

THERE WILL BE NO USE OF LOADING DOCKS PERMITTED WHEN THE SHOW IS OPEN.

See Loading Dock Schedule for full details on access periods.

Restrictions on Merchandise Sales

Vendors/Exhibitors are not permitted to sell, advertise, promote or distribute any merchandise, *including audio and video recorded products in all formats*, in or about the conference/festival venue which bears any Artist's name and/or likeness scheduled to perform on stage at the event until the day following any such Artist's scheduled final performance(s), without expressed written permission of such artist.

Vendors/Exhibitors shall be individually responsible for any taxes, fees, licenses and/or other permits which might be required for the sale or exposition of their products or services.

Installation & Removal

Prior permission of exhibit management must be obtained before using any fastening devices to attach items to floors, backdrops, side partitions or parts and supports of the exhibit space. At the designated time(s), Exhibitor shall be allowed to move equipment or materials into the assigned space and shall surrender the exhibit premises in as good condition as when exhibitor took possession. Exhibit Management reserves the right to discard any materials remaining in exhibit space or vendor area after designated tear-down times. Exhibitor may be responsible for any additional fees or expenses incurred in the removal of such items.

In General

- Smoking is NOT allowed inside the Raleigh Convention Center.
- Sound and sight displays must not interfere with other exhibitors. See Sound Issues clause in this document.
- Aisle passages must be kept clear at all times to allow traffic flow through the aisles.
- Posting of flyers, posters or other signs on the walls of the Raleigh Convention Center or Host Hotels is strictly prohibited. Items will be removed immediately and parties will be responsible for any damage to surfaces.
- There is a business center accessible to all event attendees located on the lower level of the Convention Center. Fees will apply for internet and convention center services.
